ABOUT JIOMS

Journal of Indonesian Oral Medicine Society (JIOMS) is a peer-reviewed scientific journal which is published by the Indonesian Dental Board Association (Persatuan Dokter Gigi Indonesia) through its Indonesian Oral Medicine Association (Ikatan Spesialis Penyakit Mulut Indonesia or ISPMI) thrice a year.

JIOMS are intended to provide Oral Medicine Clinicians in Indonesia with well peer-reviewed articles and latest information in the field. Publications include high scientific quality original clinical papers, diagnostic challenge case reports and updated invited literature reviews, book reviews, letters to the editors in subjects relating to clinical practices and best practices in oral medicine, oral pathology, oral radiology, and clinical research in these areas. JIOMS welcomes authors who want to publish their research articles and contribute to oral medicine scientific development. All submitted manuscripts within the scope of the journal will be assessed by at least two suitably qualified referees.

SUBMISSION

We welcome any manuscripts that are original and adhere to the scientific written guidelines and JIOMS's [authorship guidelines](#). It is either a literature review, original report, or case report. Each has its own [template](#) which you can download and adjust your writing. Before submitting a manuscript, you need to register and log in to the JIOMS website: <http://jurnal.pdgi.or.id/index.php/jioms/index>. This will allow you to keep track of your paper and update you on the status of your submission. If any technical or difficulty arises upon submitting your article, please contact us for inquiries and assistance at: jioms@ispmi.or.id
