ABOUT JRDI

Jurnal Radiologi Dentomaksilofasial Indonesia (JRDI) is an open-access journal published regularly in April, August, and December every year by the Indonesian Dental Radiology Association (IKARGI). **JRDI** contains scientific manuscripts with special topics in the field of Dental Radiology, including discussions on advances in information in the field of Dentomaxillofacial Radiology of Dentistry in the oral cavity and jaws, as well as digital radiology, teledentistry, radiation effect and protection. **JRDI** accepts articles in the form of original research, case reports, literature studies, systematic reviews and original ideas in the field of dentistry related to Dentomaxillofacial Radiology.

All articles published in **JRDI** are fully open access: immediately freely available to read, download and share, on the principle that making it freely available to the public supports a greater global exchange of knowledge as a fundamental part of our mission and a public benefit to be encouraged wherever possible. Articles in **JRDI** are published under the terms of a Creative Commons license which permits use, distribution and reproduction in any medium, provided the original work is properly cited.

MANUSCRIPT SUBMISSION

Manuscript submissions are made online through the OJS (Open Journal Systems) system at <http://jurnal.pdgi.or.id/index.php/jrdi/index>. Scientific papers are written according to downloadable templates and writing guides. Authors are required to register and create an account first. Manuscript files are uploaded in DOC format and figures are uploaded in JPG, PNG or TIFF format. Manual submission of manuscripts can be done by sending a printout of the article manuscript in an envelope along with a CD containing files, along with an attachment to a statement of originality of the paper where the paper has never been published and does not contain elements of plagiarism, along with the identity of the authors (full name), title, institution and address, postal and e-mail addresses, telephone, mobile and facsimile numbers.

Manual submission of manuscripts can be delivered directly, sent by post to the Sekretariat: **DEPARTEMEN RADIOLOGI KEDOKTERAN GIGI, FAKULTAS KEDOKTERAN GIGI, UNIVERSITAS PADJADJARAN, JL. SEKELOA SELATAN NO. 1, BANDUNG 40132, INDONESIA**, or in the form of a file attachment sent to the e-mail address: jurnalrldi@gmail.com.

- ✓ Double-blind peer review
- ✓ Open access
- ✓ Tri-annual release
- ✓ Online submission & review process

CONTENTS

- Age-related mandibular condyle morphological variations: a panoramic radiography study at RSGMP Universitas Airlangga** 89-94
Sri Wigati Mardi Mulyani, Eha Renwi Astuti, Otty Ratna Wahyuni, Yunita Savitri, Aga Satria Nurrachman, Nastiti Faradilla Ramadhani, Kharisma Gaprila Putri, Jihan
- Differences of bone quality in patients type II diabetes mellitus with mandibular cortical index analysis on panoramic radiograph** 95-100
Norlaila Sarifah, Tri Nurrahman
- Differences of Gonial Index value in male and female hypertension patients using panoramic radiography** 101-106
Shely Desia Widiawati, Norlaila Sarifah, Beta Widya Oktiani, Irham Taufiqurrahman, Bayu Indra Sukmana
- Maxillary bone analysis in dentate and edentulous men through panoramic radiographs** 107-110
Cek Dara Manja, Yudha Syah Agung Siregar
- Radiographic imagery of aggressive plexiform-type ameloblastoma in the mandible: a case report** 111-116
Rakhmat Putra Guru Arnawansah, Barunawaty Yunus, Fadhilil Ulum Abdul Rahman, Yossy Yoanita Ariestiana, Husni Mubarak
- A case report of incidental finding of compound odontoma on a panoramic radiograph** 117-120
Anak Agung Gde Dananjaya Agung, Made Laurentina, I Gusti Agung Janadewi, Putri Marina Sukmadewi, Lusi Epsilawati
- A large radiolucent lesion with impacted teeth: was it an ameloblastoma or a dentigerous cyst? a case report** 121-126
Galih Rahmadini, Belly Sam, Suhardjo Sitam, Azhari Azhari, Seto Adiantoro Sadputranto
- Unique benign soft tissue tumor suspected pyogenic granuloma in a young female hard palate: a case report** 127-131
Lusi Epsilawati, Azhari Azhari, Abel Tasman Yuza, Mahindra Awwaludin Romdlon
