## FOCUS & SCOPE

**Jurnal Radiologi Dentomaksilofasial Indonesia (JRDI)** is an official open access scientific publication published by Ikatan Radiologi Kedokteran Gigi Indonesia (IKARGI) / Indonesian Association of Dentomaxillofacial Radiology, under the supervision of Persatuan Dokter Gigi Indonesia (PDGI) / Indonesian Dental Association. Published thrice a year, every April, August, and December. The submission process opens throughout the year.

**JRDI** is designated as a publication platform and exchanging media of scientific knowledge, mainly publishing original research articles, clinical case reports, review articles and any other kind of evidence-based submissions: systematic reviews, meta-analysis and others within the field of dentomaxillofacial radiology. Each submission will be peer-reviewed and all publications are fully open access.

**JRDI** receives manuscripts particularly in the area of oral and maxillofacial radiology, including but not limited to, radiograph interpretation and techniques, radiopathology, radioanatomy, digital radiography, technologies and modalities in radiology, teledentistry, radiation effect and protection.

## MANUSCRIPT SUBMISSION

Article submission in **JRDI** must be done online via OJS (*Open Journal Systems*) in <http://jurnal.pdgi.or.id/index.php/jrди/about/submissions>. Scientific papers must be written according to the downloadable writing templates and using the provided guidelines. Authors are required to register and create an account first. The manuscript file is uploaded in doc (MS Word) format.

Submission of manuscripts may be done manually due to unforeseen circumstances by sending a printed manuscript that is inserted in an envelope along with soft copy of the file in doc format, a statement letter of the originality of the written work where the paper has never been published and does not contain elements of plagiarism, along with the identity of the author (full name and title, institution and address, postal and e-mail address, telephone number, cell phone) via our postal address or e-mail.

## ABOUT THE PUBLISHER

IKARGI (Ikatan Radiologi Kedokteran Gigi Indonesia) or Indonesian Association of Dentomaxillofacial Radiology is a professional organization under the Indonesian Dental Association (PDGI) which operates and supervises all Indonesian certified dentists with specialties in Dentomaxillofacial Radiology.
